

District 1

Application for Senior Services Advisory Board

Additional Information:

I have always tried to be a part of the Senior Community, both in my work and participation. I feel this is a critical and changing time for all of Washoe County. Many wonderful and some not so wonderful situations are happening. I strongly feel The Senior Citizen's Service Center must be on the cutting edge of continuing it's legacy of enhancing the lives of all Seniors, especially those that find themselves in extreme need. This Center was built on the premise of nutrition, service and activity. It has a proud history. I would be honored to be a small part of it's continuation of these goals. One thing I have never forgotten is the dignity and appreciation of the seniors I was so grateful to serve.
